			BIO	**MATH**	
Topic & brief description	Surface chemistry	Current density & nature of resistivity.	Productivity	Derivative of Inverse trigonometric function	The Invisble Man. Chapter 9-Mr Thomas Marvel
Class room	Assessment	Deriving the expression for resistivity.	Discussion on the productivity of energy in each level	Solving Practice questions	Discussion of the same lesson
Reinforcement work	Read the lesson kinetics.	Solving numerical problem.	Revice the chapter	Revice the chapter	Reading of the next chapter 10
