

'Learning Outcomes' of Grade 12 on – THU 17/09/2015

	BIO/MATH		CHE	ENG	Physics
	BIO	MATH			
Topic & brief description	Strategies for enhancement in food production	Integration	P block elements		Total internal reflection & lens makers formula.
Class room	Plant breeding	Solving problems based on partial fraction method	Discussion about oxoacids of phosphorus and dioxygen.		Discussing the applications of total internal reflection and deriving lens makers formula.
Reinforcement work	Read the portion related to the topic discussed from the text	Solve the questions	Worksheet 4		Studying the derivation.
