

'Learning Outcomes' of Grade 4A on – THU 19/11/2015

	SCIENCE	HINDI	MATH	MAL	ENG	S.S	R.S/MS	ARABIC
Topic & brief description	Wind and evaporation	Hawa aur suraj	Estimate the capacity to the nearest $\frac{1}{2}$ L and $\frac{1}{4}$ L .	Lesson 10	Assessment	evapotration and condensation	Chapter 5	Answer the following
Class room	Activity to show wind increase the rate of evaporation s2	Q&a	Look at the pictures and find the capacity.	Reading		Draw a water cycle and explain	Completing note works	Saying and writing
Reinforcement work	Pq 3,4 and 5	learn	Complete practice questions from set 3 in the notebook					
							Learn it for the assessment	learn
